REDUCTION
IN CONTRACTOR
COSTS ON DAY ONE!

SIXT Rent-A-CAR

- **Problem:** SIXT outsourced work but observed a gap between work ordered, work completed, and work invoiced
- **Current Solution:** Ineffective Audits, Costly Team of Invoice Specialists
- **Solution:** Implemented LogiMove's Mobile Work Order Management Application
 - Simply captured every work request
 - Validated work completed
 - Cross referenced work against signed contracts
 - Automated payments only when validations were completed
- **Value:**
 - 15-35% reduction in 3rd Party Invoices
 - Eliminated price inconsistencies for same work across full portfolio
